Although the abovementioned is the current level of turnover/income and is closely related to the economic indicators, it may be more or less in future. Consequently, this Certificate does not serve as a guarantee that the income reflected will continue at the same levels. Where the entity is a startup enterprise this EME Certificate is valid only for contracts with a single value of less or equal than R5 million. Should the contract value being tendered for be higher than more than R5 million but less than R35 million, the EME will be required to submit a QSE Verification Certificate with any tender. For contracts over more than R5 million but less than R35 million a B-BBEE Verification Certificate based on the Generic Codes must be submitted.

Based on our procedures, which do not constitute an audit or review, we have determined that the turnover / income is less or equal than R5 million and that the level of Black Ownership / Black Women Ownership is at a level 4.
